RIPPLES

A ripple in the current of a stream goes almost undetected. Their presence is practically unknown. Yet the foundation they start will be the building block of their quest to reach the ocean. The freshman may not make a loud statement, but like all things will someday be noticed. Their humbleness now allows others the glory, which someday will be their's.

FRESHMEN

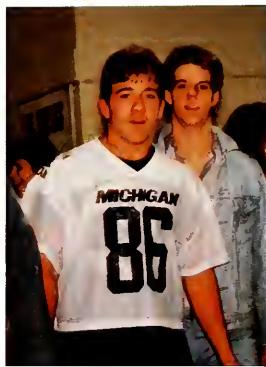

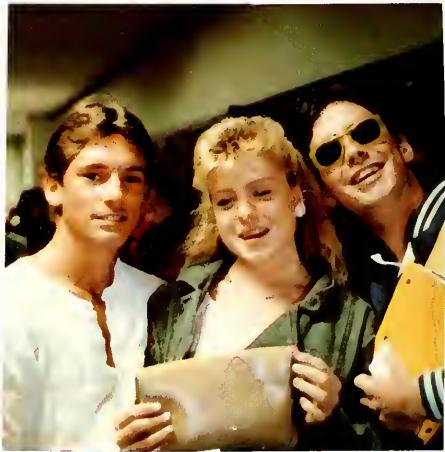

WHITE CAPS

Like the white caps on a stormy lake, the sophomore year can be a stormy one. The workload gets harder and they now have more responsibility. They're no longer ripples on a stream. But with the storm comes the adventure: riding with the white caps, seeing new people and exploring new territory. The white caps are the future of the ocean. Their experience now will help them to be stronger when they reach their final step.

SOPHOMORES

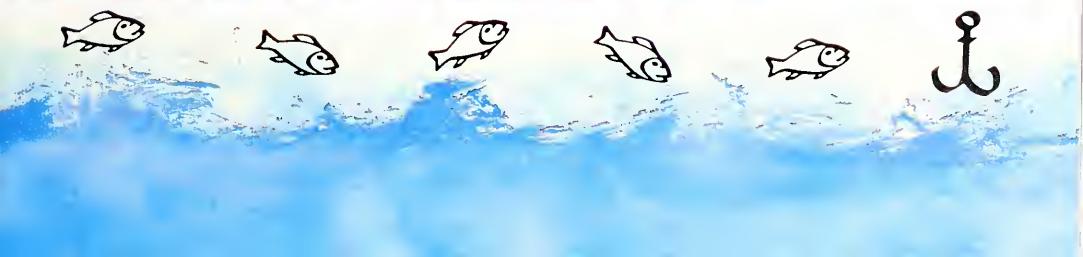

BILLOWS

Not yet a tidal wave, no longer a white cap, the junior's place is sometimes uncertain. Yet it never goes unnoticed. The graceful billow shows power and might, its presence is made known to all. The billow is traveling to its final destiny, when someday it will be the ruler of the ocean. Its path will be left for others to follow, for the billows will continue to move on.

JUNIORS

SENIORS

TIDAL WAVES

The seniors rule the ocean. The largest student body of water there is. The tidal wave is vastly familiar with the territory, it knows its place and yet sometimes is unsure. The tidal wave rises high and for a brief moment is the awe of all the ocean. However, like tidal waves the seniors come up quickly and suddenly they're gone.

Pretending to be a senior.

SPIRIT

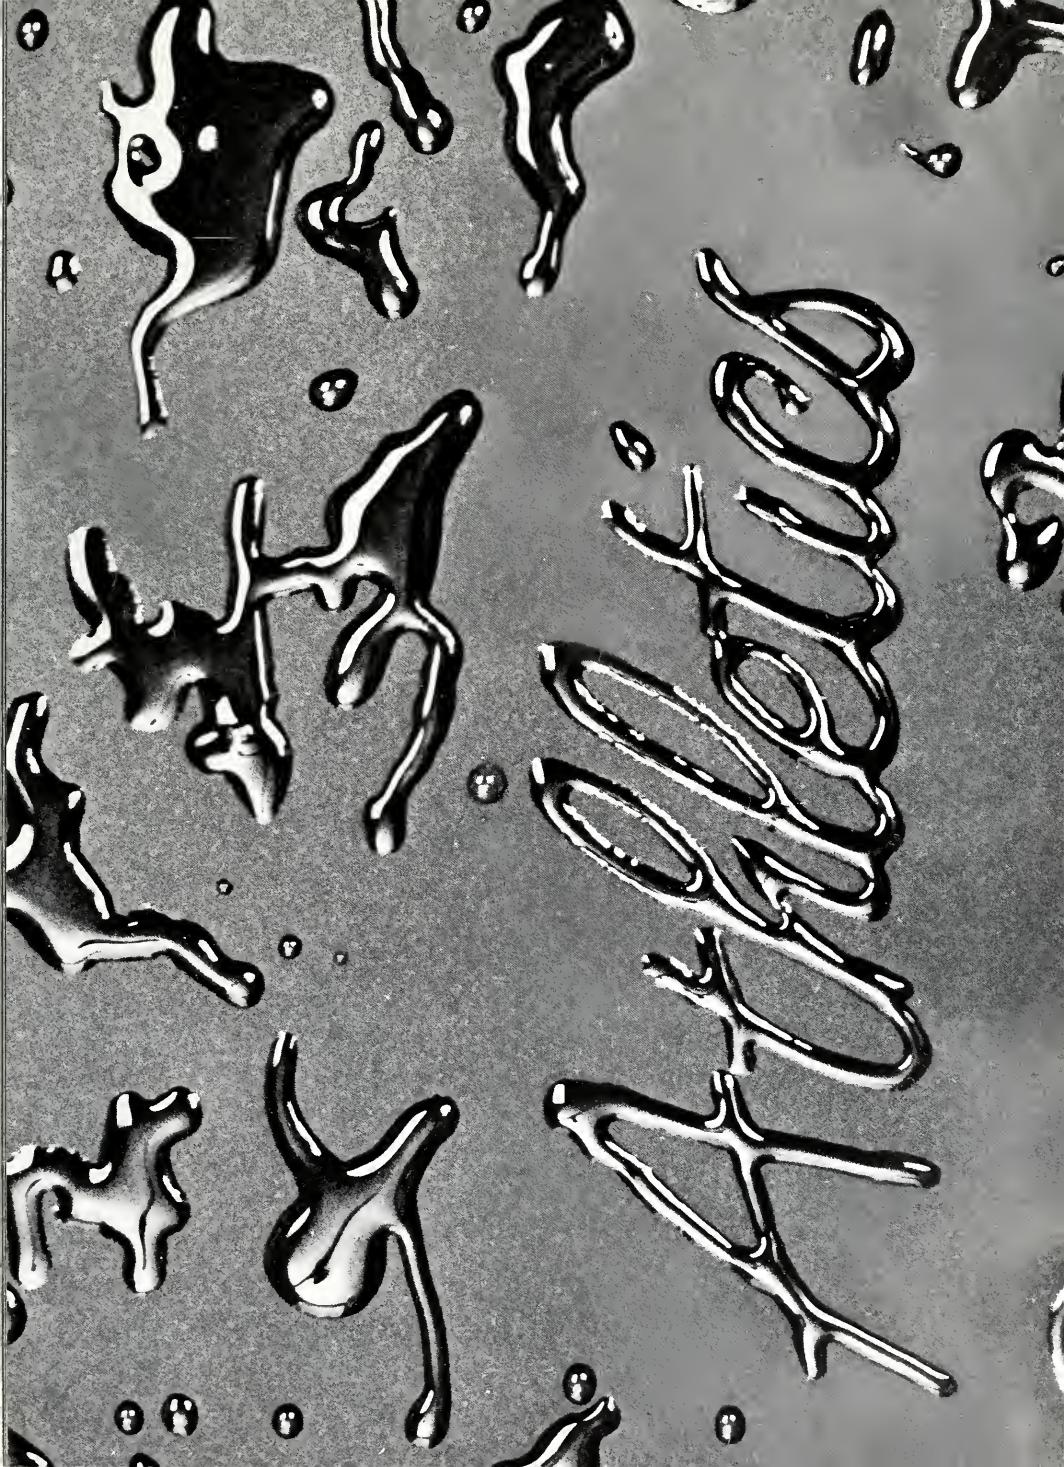

FOOTPRINTS IN THE SAND

One night I had a dream. I was walking along the beach with the Lord, and across the skies flashed scenes from my life. In each scene I noticed two sets of footprints in the sand. One was mine, and one was the Lord's. When the last scene of my life appeared before me, I looked back at the footprints in the sand, and, to my surprise, I noticed that many times along the path of my life there was only one set of footprints. And I noticed that it was at the lowest and saddest times of

my life. I asked the Lord about it. "Lord, you said that once I decided to follow you, you would walk with me all the way. But I notice that during the most troublesome times of my life there is only one set of footprints. I don't understand why you left my side when I needed you most!" The Lord said: "My precious child, I never left you during your times of trial. Where you see only one set of footprints, I was carrying you."

Seventy-eight girls and sixty-two guys made it the final three months of track. Grueling practices and outstanding team members made last year's track team a very competitive year.

With a win-loss record of 8-5 for the girls and a 4-10 for the boys, both teams had their share of ups and downs. Coach Eichler led two of his girls to all-league and six to regionals.

The '86 season for the girls was very successful. Carey Miotke, Sandy Potter, and Wendy Miles all contributed a great deal.

For the boys it was not quite as successful. However, outstanding performances by Brett Flowers, Powell Meister and Glen Borkowski helped to make the season a memorable one.

With outstanding players like Sandy Smith, Bonnie Kittle, Shelly Gordinear, Kelly Swierzb, and Stacy Knapp, this years Varsity team really had an exciting season.

The fact that the Eagles tied for 2nd is the result of two things: The Eagles' control in the game and the importance of all team members. Bench warmers as well as the team starters.

What were Jerry Doerr's goals for this years team? "To win the KVC, and have the best season possible."

replied Mr. Doerr.

Although the team may not always have been consistent with attitude and effort; they did learn a lot of new skills and also had fun in the process.

VARSITY FOOTBALL

The 1986 football season didn't turn out as planned, winning the KVC championship. But the season did produce both good and bad memories. The first half of the season held high hopes for winning the KVC with a league record of 1-4. The final record was 4-5 overall, finishing third in the KVC, a big jump from last place a year ago.

The season started with a loss to Fowlerville. It wasn't a good beginning. But the next week in a great defensive battle the Eagles were victorious with a 2-0 victory over the Milford Redskins. Lakeland was next. Again the game explained the defensive talents for our Eagles and ended in victory for Hartland. Then came the biggest win of the season, a 12-11 win over the Brighton bulldogs. The first time in four years that we beat Brighton. The Eagles then moved on to beat non-league Woodhaven. From then on Hartland didn't win another game, but was still proud of their accomplishments, personnel and team.

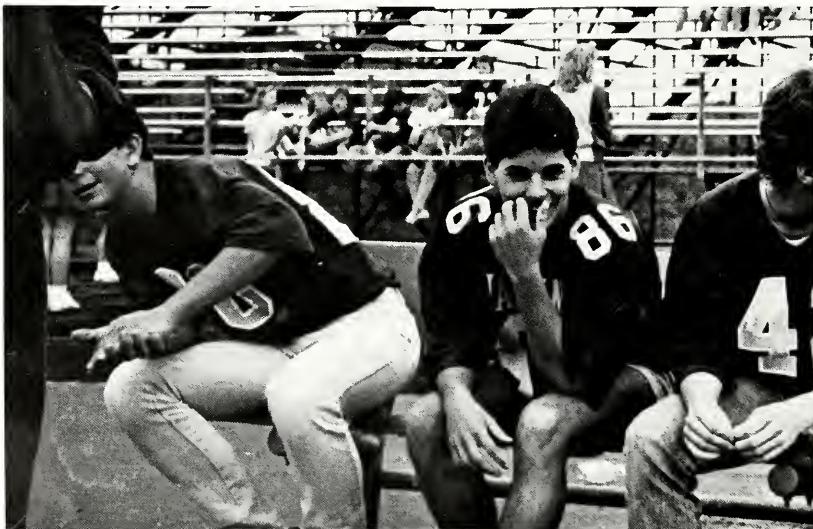

Hartland produced a few 1st and 2nd team all leaguers and a slew of honorable mentions. Coach Barbieri was told at the seasons end by other opposing coaches that Hartland had by far the hardest hitters in the league this year.

J.V. FOOTBALL

Front Row: (mgr) Wendy Algar, Brett House, Mike Hascall, Tim Brunner, Chris Skinner, John Bulloch, Lou Ellis, Maurice Connnelly, Dan Bender, Dave Collins, (mgr) Tammy Schultz 2nd Row: Jason Thompson, Jim Maxwell, Joe Valenti, Tom Neu, Tim Laura, Jeff Jozwiak, Stan Cooke, Mike Batten, Tom Riley, 3rd Row: (mgr) Kelli Reiland, Chris Kelly, John Partyka, Jeff Combs, Greg McNutt, Wade Smith, Jeff Gajor, Steve Gryglewski, Cory Byfield, Mark Paul, Chris Whisman, (coach) Mike Cain, Absent: (coach) Mark Mandolia

The J.V. football team nearly won every game this season and should definitely be at the top next year. The whole team is very talented and has a good chance to go all the way next year. The J.V. team had a record of 6-3 this year placing 2nd in the league.

HAVE YOU EVER SEEN AN EAGLE SKATE?

If you had attended any of the Hartland hockey games, you would have seen how well Eagles really do skate. The Hartland icers had a surprising year

only losing a few games, and those games were battles right up to the very end.

One big accomplishment for this years team was the victory of the undefeated KVC team, Lakeland, 5-3.

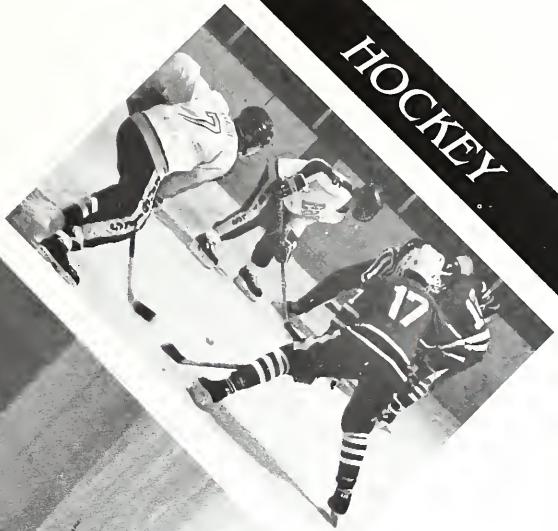

The team was lead by captains Wayne Macklin, Doug Vowles, and Ben Law. With their 4 years of experience they held the team together, and encouraged the other team members on.

THE ROYAL

HOME COMING COURT

Homecoming made a big splash at Hartland High the week of October 13 thru 18. Wednesday October 15 was the night of the powder puff game where the almighty seniors defeated the juniors with a 12-0 score. Friday October 17 was Blue and Gold day and the spirit jug battle between the juniors and seniors. Even though the juniors were the loudest, the seniors out-spirited them. Also on the 17th, the Seniors took first place in the float contest with the "Peter Pan" pirate ship. Second place went to the junior class their version of "Snow White". The Freshman came in third with "Dumbo", while the sophomore class took fourth place with "The Three Little Pigs."

The Royal Homecoming Court consisted of Queen Colleen Colliton and King Jeff Brunner. Denise Sieman, Matt Rauch, Cheryle Randolph, and Doug Vowles also represented the Seniors. Mary Novak and Pat Nieswinter represented the Juniors. Representing the Sophomores were Linda Nussle and Dave Prain. Freshmen representatives were Heidi Wold and Tom Morse.

Even though the Eagles put forth much effort, they sunk to a sad defeat against South Lyon, the final outcome was 18-9. Last but not least was the Homecoming Dance. Everyone had waves of fun and jammed to the tunes!!

THE CLASS OF 1987 REMEMBERS . . .

SALLY JEAN BOUTELL
1969-1984

*"Christmas is a time for caring.
Christmas is a time when families should be together with their love for each other, with dinner and presents under the Christmas Tree, and celebrate Jesus's birth."
Love
Sally Boutell*

ERIK MICHEAL BIRZGALIS
1969-1984

"OUR ERI-MAN"
"When he shall die take him & cut him out in little stars and he will make the face of heaven so fine that all the world will be in love with night and pay no worship to the garish ship."

Erik Birzgalis

SALLY BOUTELL

She warmed our hearts with her eternal smile, knocking down the obstacles and enjoying life as an ultimate privilege. Her weakness was our strength, for she reminded us that life is a precious thing and we should never take it for granted.

JOHN PETER GOLLA
1968-1985

ERIK BIRZGALIS

He was a very enthusiastic athlete, and a good one at that. Those whose lives were touched by him remember his warm and friendly personality. His life with us ended much too soon, but he left us with many special memories, that can never be taken away.

JOHN GOLLA

With his humorous personality and his practical jokes, he attracted many friends. He enjoyed going to school and was a real peopleperson. The wheelchair wasn't an obstacle for John, he lived life and loved every moment of it.

TAMMY HANSEN

Her eyes sparkled like stars and her smile was just as bright. She was a National Honor Society member, an avid athlete, and a warm-hearted friend to everyone who knew her. Her short life ended tragically, but we were all left with a priceless treasure of having known her.

TAMMY LYNNE HANSEN
1969-1986

John always was an Eddie Murphy Fan. Here are some quotes that John always imitated from Eddie Murphy:

*"Now that's a fire!"
"It's just so ridiculous!"
"Goonie Goo-Goo!"*

*"Anything is possible if only you believe."
-Tammy L. Hansen*

PEOPLE

As you walk down the halls of Hartland High, you encounter many varieties of people. You see them wasting time at a drinking fountain, looking busy at a locker, being bounced around as they attempt to pass through a hallway intersection, or occupying one of the school's payphones. Whatever the case may be, it's the people from Hartland High that make it unique.

If you were to only see one smile from a students face, it would probably surface between 10:45 to 12:15; Lunch time.

Remember the salad bar, not so hot lunches, chocolate milk, and the never ending search for a simple chair? And how can you forget the waiting in the crowded French Fry line.

Nevertheless, lunch gives students a chance to breathe. It allows you to talk about the weekend past and the coming Friday night. You can hear students talking about last nights game, or mourning over the test they took 3rd hour. Whatever the case, you couldn't make it through one day without lunch.

LUNCH TIME

DRIVING

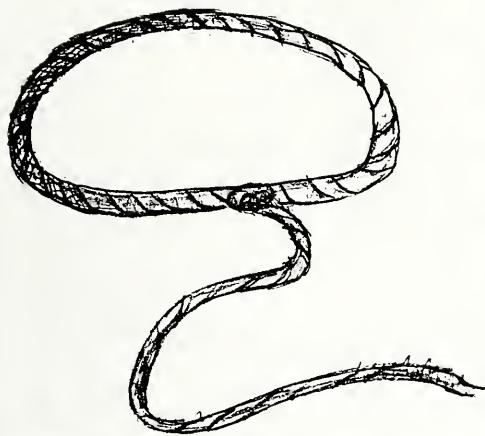

When you turn sixteen, you have the privilege of driving. More important, you are now eligible to drive to school. No more riding a bus full of strange odors and screaming noises; now you can come to and leave school in your own car. But, when 2:15 p.m. approaches, the average student driver takes part in "THE RACE." Yes, this is the herd of cars that go on their furious rampage toward the "exit." There, they make a right turn, only to drive 100 yards, and perform the notorious "U Turn" in the Plaza across from the school.

WORKING

What can you say about "work?" In school or out, not many students look forward to it. Whether it's an essay for Mrs. Eichler, a story for Mr. Merrill, an experiment for Mr. Mishler, or a speech for Mrs. Bachman, we all have to do it. Don't forget working out of school. Places such as Foodtown, McDonalds, Burger King, Movieland, Shell, Matthews, Hartland Pizza, Cosmos, and other local businesses have supplied students with jobs for many years.

WINTERFEST

This years Winterfest was a hee-hawin' success; with members of every club dedicating themselves and their talents to the Wild Wild West's after school activities and assembly.

The Junior class of 1988 put much time and effort into the 1987 Winterfest celebration. The result - a Winterfest to remember. The activities included such western wonders as square dancing, wheel-barrow races, shot glass competition, and pony express races.

The standings for the 1987 Winterfest competition were Drama, 1st, with 130 points; Newspaper, 2nd, with 115 points and Varsity Club, 3rd, with 105 points.

To end the Wild Wild week of fun and festivities the Junior class also sponsored a Valentines Day dance, with Hartland High students supplying the music.

SYMPHONIC AND CONCERT BANDS

THE BAND MAKES SOUND WAVES IN '87

SYMPHONIC BAND

This is the first year that the band has been divided into two full fledged groups. Activities for the 86-87 school year for the Symphonic Band were a Christmas concert, Michigan school band and orchestra festival, solo and ensemble festival, middle school and elementary school tour, and a spring concert. A few select students were also invited to perform with the Livingston County Honors Band.

This years band size has greatly

increased and hopes to continue growing in the future.

MARCHING BAND

The other half of the band department, and to most the better known is the marching band. Its size too has been increasing as has its performance.

The bands' activities beginning in August included a marching band camp for one week and performing at all home football games. Other activities that they participated in were the Michi-

gan school marching band festival and marching in the memorial day parade.

The Hartland marching band is very proud of its performances this year. They received a II (2nd division, good rating) at their first ever marching band festival performance. The band hopes to continue this pattern throughout the year.

With the opening of another school year came the start of another new club. The newcomers club. Its sponsor, Mrs. Cotton, a counselor at Hartland; is also new.

The purpose of the club is to help new students adjust to Hartland. The newcomers help each other at lunch, in between classes and even after school. So far the club has been doing quite well. Many newcomers already have many new friends.

Rony Leeberman, joined the senior class second semester. He is an exchange student from Brazil.

THE FORCE BEHIND THE WAVES

Like the wind that creates the waves, the teachers move the students from one wave to the next. They are the driving force behind them. Without their guidance, the students would be drifting aimlessly through the sea of education. They would never develop from ripples into tidal waves or venture out into life's vast ocean.

The students of Hartland High School deeply appreciate the teachers' understanding and guidance.

Hmm . . . I wonder if he has a pass?

Where's Ma when ya need her most?

I only took a little peek!

• Yah right, and Homer flew down from the rafter's too!
• I know what you're thinkin, a man at my age with all of
this hair!

Mmmmm . . . Mmmmm . . . They melt in your mouth. That's a fact!

Why do I assign oral reports?

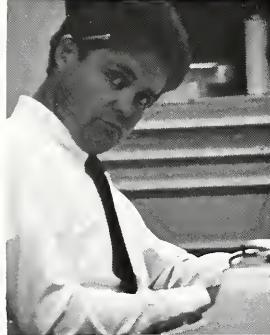

Come on, Come on, spit it out, George!

Ahh, another love letter!

► *I'm a little tea pot short and stout ...*
► *Hmmm ... What can I do to make them believe my lightening stories?*

*Who are you callin' psychotic,
Weedhopper?*

Come on, not another fan!

Go ahead, make my day!

What can I say!

A LIGHT IS GONE

*A light is from our household gone,
A voice we loved is stilled,
A place is vacant in our home,
Which never can be filled.*

*We have to mourn the loss of one
We did our best to save,
Beloved on earth, regretted still,
Remembered in the grave.*

*'Twas hard to part with one so dear,
We little thought the time was
... near,*

*Farewell, dear one, your life is past,
Our love for you till the end
will last.*

Jaeger, Michael 677,

Dear Jennifer;

Your a wonderful person
and one of the first people
that I met when I came
here. I can't imagine Science
class without you (it would be
sooo boring). Have a great
Summer and I'll see you next
year. Your friend
always,

Dennison,
Good luck next year
with frogs, especially if
Zina is your captain. I wish
I had your train for science, it
was fun. Hopefully I'll see her next
